SUPPLEMENTAL INFORMATION DISCLOSURE STATEMENT
UNDER 37 C.F.R. § 1.97(b)

Further to the Information Disclosure Statement filed January 4, 2006, Applicants have found that the second page of the English language version of the PCT International Search Report was inadvertently omitted. Accordingly, Applicants submit herewith a complete English language version of the PCT International Search Report. The relevance of JP-U-4-118984 (which was submitted in the IDS of January 4, 2006) can be further understood from the citation on the PCT International Search Report. Applicants respectfully request that the Examiner consider the documents submitted in the IDS of January 4, 2006 and evidence that consideration by making appropriate notations on the attached form.

This submission does not represent that a search has been made or that no better art exists and does not constitute an admission that the listed documents are material or constitute "prior art." If it should be determined that the listed documents do not constitute "prior art" under United States law, Applicants reserve the right to present to the Office the relevant facts and law regarding the appropriate status of such documents. Applicants further reserve the right to take

appropriate action to establish the patentability of the disclosed invention over the listed documents, should the documents be applied against the claims of the present application.

If there is any fee due in connection with the filing of this Statement, please charge the fee to our Deposit Account No. 50-0310.

Respectfully submitted,
